Travel Tips for Las Vegas

Book Shows Early

If you plan on seeing a Cirque du Soleil show, buy tickets weeks in advance.

Stay Hydrated

The desert air is extremely dry; always carry water while walking the Strip.

Wear Walking Shoes

Casinos look close together, but are actually massive and require a lot of walking.

Monorail vs. Rideshare

Use the Las Vegas Monorail to avoid heavy traffic on the main Strip.

Beat the Heat

If visiting in summer, do your outdoor activities like Red Rock Canyon early in the morning.
